

NURSE-RESEARCHER
With an Interest in the elderly

To become a member of an interdisciplinary research group conducting studies to enhance home-based care communication with the elderly, and prevention in family practice. Candidates should preferably have a Masters degree in Nursing, Ph.D., and demonstrated research experience. A clinical background in community health with a specific interest in the care of the elderly preferred.

Successful applicant will be appointed in the Faculty of Medicine with potential for a cross appointment in the Faculty of Nursing (requires a certificate of competence with the College of Nurses of Ontario). This position is funded by the Ontario Ministry of Health as part of a health system linked research unit for five years, with a renewal option.

Appointment will be at an academic salary and rank commensurate with education and experience. Positions are subject to budget approval.

In accordance with Canadian Immigration requirements, this ad is directed to Canadian citizens and Permanent Residents of Canada. The University of Ontario is an equal opportunity employer.

Apply by October 31, 1989 to :

Dr. Martin Bass, Director - Centre for Studies in Family Medicine

Kresge Building, The University of Western Ontario, London, Ontario, N6A 5C1

Humber College, 205 Humber College Blvd.

Etobicoke, Ontario, M9W 5L7

Telephone: (416) 675-5077

DEAN, FACULTY OF NURSING

The University of Western Ontario

Applications are invited for the position of Dean, Faculty of Nursing, The University of Western Ontario. The appointment, to be effective July 1, 1990, is for a period of seven years, renewable. A candidate should have an established reputation as an academic researcher and teacher and should have the necessary inter-personal skills and administrative experience to provide leadership for the ongoing development of the programs of the faculty.

The University of Western Ontario has a total enrolment of approximately 15,700 full-time undergraduates, 1,900 full-time graduate students and 3,300 full-time equivalent students engaged in part-time studies. The University is located in the City of London, which has a population of 290,000 and is approximately 180km southwest of Toronto, Ontario.

The Faculty of Nursing offers a basic Bachelor of Science degree for basic and post-RN students, with an enrollment of 360. The Master of Science degree program has an enrollment of 50.

The Faculty of Nursing is one of four faculties within the division of the Health Sciences. The Faculty has a strong collaborative relationship with the University teaching hospitals and other community health agencies.

The successful candidate must be a professional nurse, eligible for registration in the Province of Ontario. Preference will be given to a candidate with an earned doctoral degree.

Nominations and applications should be submitted by November 1, 1989 to Professor T.J. Collins, Provost (Vice-President Academic), Room 107, Stevenson-Lawson Building, The University of Western Ontario, London, Ontario, N6A 5B8

Applications should include a curriculum vitae and the names of at least three referees.

In accordance with Canadian Immigration requirements, this ad is directed to Canadian citizens and Permanent Residents of Canada. The University of Ontario is an equal opportunity employer.

HIGH TECH CARING

October 18-19, 1990
Montreal, Quebec, Canada

An International Scientific and Educational Conference
for Nurses on Caring and Technology

The conference will be held in Montreal, Canada, at the Queen Elizabeth Hotel and will include plenary lecture and panel sessions, breakout sessions and poster sessions.

Keynote speakers:

The Paperless World at the Bedside

Kathryn Hannah, R.N. Ph.D., Calgary General Hospital

The Caring Element in Technology

Judith Ozbolt, R.N., Ph.D., University of Virginia

Panel discussions:

What Happens to Thinking in a Computerized System?

Perspectives in Confidentiality

Abstracts are invited for consideration as paper presentations, posters, or workshops that address such issues as:

- Information systems in health care delivery
- Computerized technology in nursing
- Human relations and technology
- Coping with the technological world of health care
- Nurses as learners in computer use
- Computer-assisted learning and interactive video instruction
- Technology, ethics and the law in health care

Abstract deadline: March 31, 1990

Inquiries and requests for registration packages may be directed to:

LA TECHNOLOGIE DE POINTE AU COEUR DES SOINS INFIRMIERS:

18 et 19 octobre, 1990
Montréal, Québec, Canada

Congrès international scientifique et éducatif portant sur les soins
et la technologie, destiné aux infirmières

Le Congrès se déroulera à l'Hôtel Reine-Élisabeth, à Montréal, Canada. Il comprendra des conférences, des tables rondes, ainsi que des ateliers et des séances de démonstration.

Conférencières principales:

The Paperless World at the Bedside (La dimension humaine des soins)

Docteur Kathryn Hannah, University of Calgary

The Caring Element in Technology (Technologie et soins infirmiers)

Docteur Judith Ozbolt, University of Virginia

Tables rondes:

Informatique et pensée sont-elles incompatibles ?

Les aspects de la confidentialité

On invite les personnes intéressées à soumettre un résumé de leurs allocutions, articles, affiches ou ateliers portant sur des sujets comme:

- les systèmes d'information dans la prestation des soins de santé;
- la technologie informatique dans les soins infirmiers;
- les relations humaines et la technologie;
- l'adaptation des bénéficiaires et du personnel infirmier à l'informatisation des soins;
- le personnel infirmier et l'apprentissage de l'utilisation de l'ordinateur;
- l'apprentissage assisté par ordinateur et l'enseignement par vidéo interactif;
- les aspects technologiques, déontologiques et juridiques de l'infrastructure sanitaire.

Date limite de présentation: 31 mars 1990

En collaboration avec l'École des Sciences Infirmières de l'Université McGill et les hôpitaux d'enseignement de Montréal.

INFORMATION FOR AUTHORS

The Canadian Journal of Nursing Research welcomes research and scholarly manuscripts of relevance to nursing and health care. Please send manuscripts to The Editor, *The Canadian Journal of Nursing Research*, School of Nursing, McGill University, 3506 University Street, Montreal, QC, H3A 2A7, Canada.

Procedure: Please submit three double-spaced copies of the manuscript on 216mm x 279mm paper, using generous margins. Include a covering letter giving the name, address, present affiliation of the author(s). It is understood that articles submitted for consideration have not been simultaneously submitted to any other publication. Please include with your article a statement of ownership and assignment of copyright in the form as follows: "I hereby declare that I am the sole proprietor of all rights to my original article entitled ' ' and that I assign all rights to copyright to the School of Nursing, McGill University, for publication in *The Canadian Journal of Nursing Research/La revue canadienne de recherche en sciences infirmières*. Date _____, Signature _____."

Style and Format: Acceptable length of a manuscript is between 10 and 15 pages. The article may be written in English or French, and must be accompanied by a 100-200 word abstract (if possible, in the other language). Please submit original diagrams, drawn in India ink and camera-ready. Prospective authors are asked to place references to their own work on a separate sheet and to follow the style and content requirements detailed in the *Publication Manual of the American Psychological Association* (3rd. ed.), Washington, DC: APA, 1983.

Manuscript Review: Manuscripts submitted to the journal are assessed anonymously by two members of a Review Board, using the following criteria:

Assessing content

Internal validity - relatedness: Is the problem the paper deals with identified? Is the design of the research or the structure of the essay appropriate to the question asked? Are the statistical, research and logical methods appropriate? Can the findings be justified by the data presented? Are the implications based on the findings?

External validity - relevance, accountability: Is the question worth asking? Is the problem of concern? Are there problems of confidentiality or ethics? Are the findings of the research or the conclusions of the essay significant? Can the findings or the conclusions be applied in other situations? Does the article contribute to knowledge in nursing? In what way?

Assessing presentation

Are the ideas developed logically? Are they expressed clearly? Is the length appropriate to the subject? Does the number of references or tables exceed what is needed?

Publication Information: On receipt of the original manuscript, the author is advised that the editorial board's response will be forwarded within ten weeks. When a manuscript is returned to the author for revision, three copies of the revised manuscript (dated and marked 'revised') should be returned to the editor within four weeks. The complete procedure of review, revision, copy editing, typesetting, proofreading and printing may result in a six to eight month lapse between submission and publication.

RENSEIGNEMENTS A L'INTENTION DES AUTEURS

La revue canadienne de recherche en sciences infirmières accueille avec plaisir des articles de recherche ayant trait aux sciences infirmières et aux soins de la santé. Veuillez adresser vos manuscrits à la rédactrice en chef, *La revue canadienne de recherche en sciences infirmières*, Ecole des sciences infirmières, Université McGill, 3506 rue University, Montréal, QC, H3A 2A7.

Modalités: Veuillez envoyer trois exemplaires de votre article dactylographié à double interligne sur des feuilles de papier de 216mm x 279mm en respectant des marges généreuses, accompagné d'une lettre qui indiquera le nom, l'adresse et l'affiliation de l'auteur ou des auteurs. Il est entendu que les articles soumis n'ont pas été simultanément présentés à d'autres revues. Veuillez inclure avec votre article une déclaration de propriété et de cession de droit d'auteur conformément à la formule suivante: "Je déclare par la présente que je suis le seul propriétaire de tous droits relatifs à mon article intitulé ' ' et je cède mon droit d'auteur à l'École des sciences infirmières de l'Université McGill, pour fins de publication dans *The Canadian Journal of Nursing Research*/*La revue canadienne de recherche en sciences infirmières*. Date _____, Signature _____."

Style de présentation: La longueur acceptable d'un article doit osciller entre 10 et 15 pages. Les articles peuvent être rédigés soit en anglais, soit en français et ils doivent être accompagnés d'un résumé de 100 à 200 mots (si possible, dans l'autre langue). Veuillez remettre l'original des schémas, dessinés à l'encre de Chine et prêts à être photographiés. Les auteurs sont tenus de fournir les références à leurs propres oeuvres sur une feuille séparée et de suivre les consignes énoncées dans le *Publication Manual of the American Psychological Association* (3rd. ed.), Washington, D.C.: APA, 1983, en ce qui concerne le style et le contenu de leurs articles.

Examen des manuscrits: Les manuscrits présentés à la revue sont évalués de façon anonyme par deux lectrices selon les critères suivants:

Evaluation du fond

Validité interne: Le problème dont traite l'article est-il clairement défini? La forme des recherches ou la structure de l'essai sont-elles appropriées à la question soulevée? Les méthodes statistiques, logiques et les modalités de recherche sont-elles appropriées? Les conclusions peuvent-elles être justifiées à l'aide des données présentées? Les implications de l'article sont-elles fondées sur les conclusions?

Validité externe: Le problème soulevé présente-t-il un intérêt véritable? Ce problème est-il d'actualité? Existe-t-il des problèmes de divulgation ou de déontologie? Les conclusions de la recherche ou de l'article sont-elles importantes? Ces conclusions ou résultats peuvent-ils s'appliquer à d'autres situations? Est-ce que l'article contribue à l'avancement du savoir dans le domaine des sciences infirmières? De quelle façon?

Evaluation de la présentation

L'auteur développe-t-il ses idées de manière logique? Les exprime-t-il clairement? La longueur de son article est-elle appropriée au sujet abordé? Est-ce que le nombre de références ou de tableaux dépasse le strict nécessaire?

Renseignements relatifs à la publication: A la réception du manuscrit original, l'auteur est avisé que le Comité de rédaction prendra une décision au sujet de la publication de son article dans les dix semaines. Lorsqu'un manuscrit est renvoyé à son auteur pour qu'il le remanie, trois exemplaires dudit manuscrit remanié (daté et portant l'inscription "revu et corrigé") doivent être renvoyés à la rédactrice en chef dans les quatre semaines. Les modalités complètes de lecture, de remaniement, d'édition, de composition et d'imprimerie expliquent qu'il s'écoule souvent de six à huit mois avant qu'un article soumis soit publié.

University of Manitoba

The *Canadian Journal of Community Mental Health* publishes articles concerning the promotion of positive mental health, and the prevention and treatment of mental health problems in community settings. Priority interest areas are program evaluation, community needs assessment, community development, social action, self-help, community education, consultation, and advocacy. A special theme issue is published each year. Recent theme issues include *Women and Mental Health* and *Community Mental Health Services for the Chronically Mentally Disabled*. CJC/MH also features reviews of relevant books.

Recent Articles Include

- Family Politics, Family Policy, and Family Practice: A Feminist Perspective. *Kathryn McCannell*
- The Making of Mental Health Policy: The 1980's and the Challenge of Sanity in Quebec and Ontario. *Françoise Boudreau*
- Housing for the Chronically Mentally Disabled: Conceptual Framework and Social Context. *G. Brent Hall, Geoffrey Nelson, and Heather Fowler Smith*

FACULTY OPPORTUNITIES

University of Toronto. The Faculty of Nursing invites applications for tenure track positions at the assistant and associate professor level. Teaching opportunities are available in the following programs: BScN, MScN and the new PhD planned for 1991. Cross appointments and close working relationships with other university departments and a wide spectrum of clinical agencies are facilitated. Expertise is being sought in women's health, long term care, life-threatening illness, health promotion and nursing theories. Research opportunities include five expanding programs - coping/adaptation to chronic illness, decision making, care of patients presenting unique demands in the nurse-patient relationship (PWA, psychiatric, dementia) normal and at-risk perinatal care and nursing work-life/workload.

Candidates with Master's preparation in a clinical nursing specialty and completed (or nearly completed) earned doctorates in Nursing or a related discipline are encouraged to send CV and summary of research and clinical interests to:

Ellen Hodnett RN, PhD
Chair, Search Committee
University of Toronto Faculty of Nursing
50 St. George Street
Toronto, Ontario, Canada
M5S 1A1
FAX (416) 978 8222.

In accordance with Canadian government immigration requirements, this advertisement is directed in the first instance to Canadian citizens and permanent residents. In conformity with the employment equity policy of the University of Toronto, applications are invited from qualified men and women.

**McGILL UNIVERSITY
SCHOOL OF NURSING**

**GRADUATE PROGRAMS IN
NURSING**

**MASTER OF SCIENCE (WITH THESIS)
MASTER OF SCIENCE (APPLIED)**

These programs have been designed to prepare clinicians and researchers for the expanding function of nursing within the health care delivery system. Preparation for the teaching of nursing or the management of nursing service is also offered.

Admission requirements

Either a Baccalaureate degree in Nursing comparable to B.Sc.(N) or B.N. from McGill; or a Baccalaureate degree comparable to B.A. or B.Sc. offered at McGill (for those with no nursing preparation).

Length of program

Two years for those with nursing degrees;
Three years for non-nurses.

Language of study: English
