

Vice President NURSING

Sunnybrook Medical Centre, University of Toronto, a 1190 bed (620 acute care, 570 long term care) teaching hospital is looking for an enthusiastic and innovative Vice President of Nursing. Reporting to the Executive Vice-President and Chief Operating Officer, the incumbent will:

- participate in the overall management of the hospital by serving as a full member of the executive team as it explores changes and future directions
- provide leadership in the promotion of patient care, education and research within Nursing, in collaboration with other health sciences disciplines and as a member of the Faculty of Nursing at the University of Toronto
- manage the Nursing Department within the missions and policies of the Hospital

Candidates must have preparation at the Masters level or beyond, be eligible for registration with the College of Nurses of Ontario, have a solid nursing background including experience at the senior administrative level.

Please forward curriculum vitae to the Chairman of the Search Committee, Vice President, Nursing, Sunnybrook Medical Centre, 2075 Bayview Avenue, Toronto, Ontario, M4N 3M5.

CALL FOR ABSTRACTS

The Council on Nursing and Anthropology is organizing a symposium, "Human Problems: The Health Context" for the meeting of the Society for Applied Anthropology, March 13-17, 1985, Cincinnati, OH.

Abstracts for papers or poster sessions and registration fees (abstract forms can be obtained either from Janice Morse or the Summer 1984 issue of Human Organization) should be submitted by August 15, 1984 to:

Janice Morse, Faculty of Nursing
Clinical Sciences Building
University of Alberta
Edmonton AB T6G 2G3 Canada

**THE UNIVERSITY OF WESTERN ONTARIO
FACULTY OF NURSING**

Master of Science in Nursing

Western's M.Sc.N. program prepares its graduates to assume senior responsibilities within the profession of Nursing. Students develop research skills, explore theories of nursing and their use in clinical practice, and study the political and organizational bases of health care.

Areas of Concentration available: Nursing Administration
Nursing Education

Admission Requirements: A Baccalaureate degree in Nursing from Western from 1970 or later, or its equivalent. Application credentials are assessed individually.

Length of Program: Two academic years of full-time study or the equivalent in part-time study.

Coordinator, Graduate Program
Faculty of Nursing
The University of Western Ontario
London, ON N6A 5C1

CALL FOR ABSTRACTS

Nursing Research: Science for Quality Care
10th National Nursing Research Conference
April 9-11, 1985, Toronto.

Abstracts for papers which reflect the scope and diversity of nursing research in Canada and/or which stimulate critical examination of nursing science are invited. Abstracts should be received by 15 September, 1984. For further information on format and content of abstracts, please contact:

Mrs. Hattie Shea
Nursing Research Conference Secretariat
University of Toronto, Faculty of Nursing
50 St. George Street
Toronto ON M5S 1A1

INFORMATION FOR AUTHORS

Nursing Papers/Perspectives en nursing welcomes research and scholarly manuscripts of relevance to nursing and health care. Please send manuscripts to *The Editor, Nursing Papers/Perspectives en nursing*, School of Nursing, McGill University, 3506 University Street, Montreal, PQ H3A 2A7.

Procedure

Please submit three double-spaced copies of the manuscript on 216mm × 279mm paper, using generous margins. Include a covering letter giving the name, address, present affiliation of the author(s). It is understood that articles submitted for consideration have not been simultaneously submitted to any other publication. Please include with your article a statement of ownership and assignment of copyright in the form as follows: "I hereby declare that I am the sole proprietor of all rights to my original article entitled _____ and that I assign all rights to copyright to the School of Nursing, McGill University, for publication in *Nursing Papers/Perspectives en nursing*. Date _____. Signature _____."

Style and Format

Acceptable length of a manuscript is between 10 and 15 pages. The article may be written in English or French, and must be accompanied by a 100-200 word abstract (if possible, in the other language). Please submit original diagrams, drawn in India ink and camera-ready. Prospective authors are asked to place references to their own work on a separate sheet and to follow the style and content requirements detailed in the Publication Manual of the American Psychological Association (3rd. ed.), Washington, D.C.: APA, 1983.

Manuscript Review

Manuscripts submitted to *Nursing Papers/Perspectives en nursing* are assessed anonymously by two members of a Review Board, using the following criteria:

Assessing content

Internal validity — relatedness: Is the problem the paper deals with identified? Is the design of the research or the structure of the essay appropriate to the question asked? Are the statistical, research and logical methods appropriate? Can the findings be justified by the data presented? Are the implications based on the findings?

External validity — relevance, accountability: Is the question worth asking? Is the problem of concern? Are there problems of confidentiality or ethics? Are the findings of the research or the conclusions of the essay significant? Can the findings or the conclusions be applied in other situations? Does the article contribute to knowledge in nursing? In what way?

Assessing presentation

Are the ideas developed logically? Are they expressed clearly? Is the length appropriate to the subject? Does the number of references or tables exceed what is needed?

Publication Information

On receipt of the original manuscript, the author is advised that the editorial board's response will be forwarded within six weeks. When a manuscript is returned to the author for revision, three copies of the revised manuscript (dated and marked 'revised') should be returned to the editor within four weeks. The complete procedure of review, revision, copy editing, typesetting, proofreading and printing may result in a six to eight month lapse between submission and publication.

RENSEIGNEMENTS À L'INTENTION DES AUTEURS

La revue *Nursing Papers/Perspectives en nursing* accueille avec plaisir des articles de recherche ayant trait aux sciences infirmières et aux soins de la santé. Veuillez adresser vos manuscrits à la rédactrice en chef, *Nursing Papers/Perspectives en nursing*, Ecole des sciences infirmières, Université McGill, 3506 rue University, Montréal, P.Q., H3A 2A7.

Modalités

Veuillez envoyer trois exemplaires de votre article dactylographié à double interligne sur des feuilles de papier de 216mm × 279mm en respectant des marges généreuses, accompagné d'une lettre qui indiquera le nom, l'adresse et l'affiliation de l'auteur ou des auteurs. Il est entendu que les articles soumis n'ont pas été simultanément présentés à d'autres revues. Veuillez inclure avec votre article une déclaration de propriété et de cession de droit d'auteur conformément à la formule suivante: "Je déclare par la présente que je suis le seul propriétaire de tous droits relatifs à mon article intitulé _____ et je céde mon droit d'auteur à l'École des sciences infirmières de l'Université McGill, pour fins de publication dans *Nursing Papers/Perspectives en nursing*. Date _____ signature _____."

Style et présentation

La longueur acceptable d'un article doit osciller entre 10 et 15 pages. Les articles peuvent être rédigés soit en anglais, soit en français et ils doivent être accompagnés d'un résumé de 100 à 200 mots (si possible, dans l'autre langue). Veuillez remettre l'original des schémas, dessinés à l'encre de Chine et prêts à être photographiés. Les auteurs sont tenus de fournir les références à leurs propres œuvres sur une feuille séparée et de suivre les consignes énoncées dans le Publication Manual of the American Psychological Association (3rd. ed.), Washington, D.C.: APA, 1983, en ce qui concerne le style et le contenu de leurs articles.

Examen des manuscrits

Les manuscrits présentés à la revue *Nursing Papers/Perspectives en nursing* sont évalués de façon anonyme par deux lectrices selon les critères suivants:

Evaluation du fond

Validité interne: Le problème dont traite l'article est-il clairement défini? La forme des recherches ou la structure de l'essai sont-elles appropriées à la question soulevée? Les méthodes statistiques, logiques et les modalités de recherche sont-elles appropriées? Les conclusions peuvent-elles être justifiées à l'aide des données présentées? Les implications de l'article sont-elles fondées sur les conclusions?

Validité externe: Le problème soulevé présente-t-il un intérêt véritable? Ce problème est-il d'actualité? Existe-t-il des problèmes de divulgation ou de déontologie? Les conclusions de la recherche ou de l'article sont-elles importantes? Ces conclusions ou résultats peuvent-ils s'appliquer à d'autres situations? Est-ce que l'article contribue à l'avancement du savoir dans le domaine des sciences infirmières? De quelle façon?

Evaluation de la présentation

L'auteur développe-t-il ses idées de manière logique? Les exprime-t-il clairement? La longueur de son article est-elle appropriée au sujet abordé? Est-ce que le nombre de notes ou de tableaux dépasse le strict nécessaire?

Renseignements relatifs à la publication

A la réception du manuscrit original, l'auteur est avisé que le Comité de rédaction prendra une décision au sujet de la publication de son article dans les six semaines. Lorsqu'un manuscrit est renvoyé à son auteur pour qu'il le remanie, trois exemplaires dudit manuscrit remanié (daté et portant l'inscription "revu et corrigé") doivent être renvoyés à la rédactrice en chef dans les quatre semaines. Les modalités complètes de lecture, de remaniement, d'édition, de composition et d'imprimerie expliquent qu'il s'écoule souvent de six à huit mois avant qu'un article soumis soit publié.

McGILL UNIVERSITY SCHOOL OF NURSING

GRADUATE PROGRAM IN NURSING MASTER OF SCIENCE (APPLIED)

This program has been designed to prepare clinicians and researchers for the expanding function of nursing in our rapidly developing health care services.

Options available:

- Option A: Clinical Nursing Practice
 - Option B: Research in Nursing and Health Care
- Graduates will be prepared to incorporate either option within careers in the teaching of nursing or the development and management of nursing service.

Admission requirements

Either a Baccalaureate degree in Nursing comparable to B.Sc.(N) or B.N. from McGill; or a Baccalaureate degree comparable to B.A. or B.Sc. offered at McGill.

Length of program

Two years for those with nursing degrees
Three years for those with non-nursing degrees

Language of study: English
