Brown, B. See Carpio, B.	25(3),41
Carpio, B., & Brown, B. The admissions process of a bachelor of science in nursing program: Initial reliability and validity of the personal interview	25(3),41
Davies, B. See Oberle, K.	25(1),67
Dionne-Proulx, J. Bilan des causes d'invalidité chez les infirmières québécoises	25(3),53
Ellis, J. See Alcock, D.	25(3),15
Eyles, J., Birch, S. & Newbold, R.B. Equity and healthcare: Analysis of the relationships between need for care and the utilization of nursing services in Canada	25(4),27
Forchuk, C. & Roberts, J. How to critique qualitative research articles	25(4),47
Ford, J.S. & Hames Wertenberger, D. Nursing education content in master's nursing programs	25(2),53
Gagnon, L. See Gooding, B.A.	25(3),65
Gooding, B.A., Sloan, M. & Gagnon, L. Important nurse caring behaviours: Perceptions of oncology patients and nurses	25(3),65
Gooding, B.S. See McCormack, D.	25(1),33
Gottlieb, L. Developing nursing's future knowledge makers: Guarding against insularity	25(2),3
Gottlieb, L. Setting new directions and meeting old challenges	25(1),1
Gottlieb, L. The new realities of grant funding	25(4),9
Goulet, C. See Legault, M.	25(4),67
Grossman, M. Mentorship: Bonds that strengthen professions	25(3),7
Hall, W. Development and early testing of the role enactment questionnaire	25(4),57
Hames Wertenberger, D. See Ford, J.S.	25(2),53
Hartrick, G.A. & Hills, M.D. Staff nurse perceptions of stressors and support needs in their workplace	25(1),23

Hill Bailey, P., Maciejewski, J. & Koren, I. Combined Mother and baby care: Does it meet the needs of families?	25(3),29
Hills, M.D. See Hartrick, G.A.	25(1),23
Holbrook A. See Anderson, J.M.	25(2), 7
Kean Dutil, B. See Bouchard, C.	25(2),37
Koren, I. See Hill Bailey, P.	25(3),29
Lawrence, J. See Alcock, D.	25(3),15
Legault, M. & Goulet, C. Étude comparative de deux méthodes de sortie du prématuré: méthode kangourou versus méthode traditionnelle	25(4),67
Maciejewski, J. See Hill Bailey, P.	25(3),29
McCormack, D. & Gooding, B.A. Homeless persons communicate their meaning of health	25(1),33
Mitchell, G. Time and a waning moon: Seniors describe the meaning to later life	25(1),51
Newbold, R.B. See Eyles, J.	25(4),27
Ng, M. See Anderson, J.M.	25(2),7
Noerager Stern, P. See Baker, C.	25(2),23
Oberle, K. & Davies, B. An exploration of nursing disillusionment	25(1),67
Pelletier, M. Emotions experienced and coping strategies used by family members of organ and tissue donors	25(2),63
Roberts, J. See Forchuk, C.	25(4),47
Sloan, M. See Gooding, B.A.	25(3),65

TITLES

<i>An exploration of nursing disillusionment:</i> Oberle, K. & Davies, B.	25(1),67
<i>Bilan des causes d'invalidité chez les infirmières québécoises:</i> Dionne-Proulx, J.	25(3),53
<i>Challenge for credit in Canadian university nursing programs:</i> Andrusyszyn, M.A.	25(4),17
<i>Combined mother and baby care: Does it meet the needs of families?</i> Hill Bailey, P., Maciejewski, J. & Koren, I.	25(3),29
<i>Developing nursing's future knowledge makers: Guarding against insularity:</i> Gottlieb, L.	25(2),3
<i>Development and early testing of the role enactment questionnaire:</i> Hall, W.	25(4),57
<i>Emotions experience and coping strategies used by family members of organ and tissue donors:</i> Pelletier, M.	25(2),63
<i>Étude comparative de deux méthodes de sortie du prématuré: méthode kangourou versus méthode traditionnelle:</i> Legault, M. & Goulet, C.	25(4),67
<i>Equality and health care: Analysis of the relationships between need for care and the utilization of nursing services in Canada:</i> Eyles, J., Birch, S. & Newbold, R.B.	25(4),27
<i>Finding meaning in chronic illness as the key to self-care:</i> Baker, C. & Noerager Stern, P.	25(2),23
<i>Formative evaluation: Implementation of primary nursing:</i> Alcock, D., Lawrence, J. & Ellis, J.	25(3),15
<i>Homeless persons communicate their meaning of health:</i> McCormack, D. & Gooding, B.A.	25(1),33
<i>How to critique qualitative research articles:</i> Forchuk, C. & Roberts, J.	25(4),47
<i>Important nurse caring behaviours: Perceptions of oncology patients and nurses:</i> Gooding, B.A., Sloan, M. & Gagnon, L.	25(3),65

<i>La souffrance: clarification conceptuelle: Béfékadu, É.</i>	25(1), 7
<i>Le caring: Vers une conception interactionniste: Bouchard, C. & Kean Dutil, D.</i>	25(2),37
<i>Mentorship: Bonds that strengthen professions: Grossman, M.</i>	25(3), 7
<i>Nursing education content in master's nursing programs:</i> Ford, J.S. & Hames Wertenberger, D.	25(2),53
<i>On chronic illness: Immigrant women in Canada's workforce—</i> <i>A feminist perspective: Anderson, J.M., Blue, C., Holbrook, A. & Ng, M.</i>	25(2),7
<i>Setting new directions and meeting old challenges: Gottlieb, L.</i>	25(1), 1
<i>Staff nurse perceptions of stressors and support needs in their workplace:</i> Hartrick, G.A. & Hills, M.D.	25(1)23
<i>The admissions process of a bachelor of science in nursing program:</i> <i>Initial reliability and validity of the personal interview:</i> Carpio, B. & Brown,B.	25(3)41
<i>The new realities of grant funding: Gottlieb, L.</i>	25(4)9
<i>Time and a waning moon: Seniors describe the meaning to later life:</i> Mitchell, G.	25(1)67

Acknowledgement to Reviewers of Volume 25

The Canadian Journal of Nursing Research is indebted to the persons below who served as reviewers for Volume 25 of the CJNR. They gave generously of their time and shared their knowledge and in so doing have contributed greatly to the editorial process and to the development of nursing knowledge.

La Revue canadienne de recherche en sciences infirmières est reconnaissante envers les personnes ci-dessous nommées d'avoir révisé son volume 25. Ces personnes ont généreusement donné de leur temps et partagé leur savoir. Ce faisant, elles ont largement contribué au processus éditorial et au développement des connaissances en sciences infirmières.
