

**Reviewers/Lecteurs**

**Volume 26 – 1994**

The Canadian Journal of Nursing Research is indebted to the persons below who served as reviewers for Volume 26 of the CJNR. They gave generously of their time and shared their knowledge and in so doing have contributed greatly to the editorial process and to the development of nursing knowledge.

La Revue canadienne de recherche en sciences infirmières est reconnaissante envers les personnes ci-dessous nommées d'avoir révisé son volume 26. Ces personnes ont généreusement donné de leur temps et partagé leur savoir. Ce faisant, elles ont largement contribué au processus éditorial et au développement des connaissances en sciences infirmières.

## *Upcoming Focus Issues:*

### **CALL FOR PAPERS**

## *History of Nursing*

Fall 1995 (vol. 27, no.3)

We invite submissions of manuscripts in the field of nursing history. Priority will be given to historiography, manuscripts on historical methods in nursing research, and historical biography.

Guest Editor: Dr. Ina Bramadat

Submission Deadline: May 15, 1995

## *Acute Care*

Winter 1995 (vol. 27, no.4)

Topics such as the individual's and families' response to illness, new approaches to care, the impact of new technology, and interdisciplinary approaches are welcome. Priority will be given to research reports. However, review articles will also be considered.

Editors: Dr. Laurie Gottlieb and Dr. Mary Grossman

Submission Deadline: August 15, 1995

## *Culture & Gender*

Spring 1996 (vol.28, no.1)

Papers are invited that address the theoretical and methodological issues in conducting cross-cultural research. We are especially interested in receiving articles from a feminist perspective, that attempt to examine the intersection of gender, race and class in the conduct of nursing research, and that outline strategies for the utilization of research findings.

Guest Editor: Dr. Joan Anderson

Submission Deadline: October 15, 1995

*Please send manuscripts to:*

The Editor,

Canadian Journal of Nursing Research,

McGill University School of Nursing,

3506 University Ave., Montreal, Qc H3A 2A7

## *Prochains Numéros:*

### **ARTICLES À PUBLIER**

## *Historique des sciences infirmières*

publication: automne 1995 (vol.27, no.3)

Nous vous invitons à soumettre vos manuscrits sur l'histoire des sciences infirmières. On donnera la priorité à l'historiographie, aux manuscrits traitant des méthodes historiques dans la recherche en sciences infirmières et à la biographie historique.

Rédactrice invitée: Dre Ina Bramadat

Date limite pour les soumissions: le 15 mai 1995

## *Soins Aigus*

publication: hiver 1995 (vol. 27, no.4)

Vous êtes invités à nous soumettre des articles portant sur les soins aigus. Les sujets peuvent concerner, entre autres, l'existence de nouvelles approches de soins, l'impact de nouvelles technologies, les réactions à la maladie, l'implication du malade et de la famille et la collaboration interdisciplinaire. Les rapports de recherche auront la priorité, Cependant, les articles critiques seront également pris en considération.

Rédactrice invitée: Dre Laurie Gottlieb et Dre Mary Grossman

Date limite pour les soumissions: le 15 août 1995

## *La Culture et le Sexe*

publication: printemps 1996 (vol.28, no.1)

Les articles porteront sur les questions théoriques et méthodologiques dans la recherche interculturelle. Nous aimerions surtout des articles rédigés dans une optique féministe, qui tenteront d'examiner le croisement du sexe, de la race et de la classe sociale dans la recherche en sciences infirmières, et qui mentionneront des stratégies pour l'utilisation des résultats de la recherche.

Rédactrice invitée: Dre Joan Anderson

Date limite pour les soumissions: le 15 octobre 1995

*Prière de faire parvenir les manuscrits à la :*

## Faculty of Nursing

The Faculty of Nursing invites applications for tenure-track positions beginning on July 1, 1995. Salary and rank will be commensurate with qualifications and experience. The appointees will be expected to work across the Masters and Baccalaureate programmes. The Masters programme will be offered for the first time in September 1995 for both full and part-time study using distance technologies.

The preferred candidates will have: a graduate degree in nursing, a doctoral degree, current clinical expertise and demonstrated excellence in research and scholarly endeavors. One candidate is required with a strong background in nursing care of adults in acute care settings. Strength in quantitative research methodologies is also a requirement for one candidate. Experience in nursing education, particularly at a graduate level, would be an asset. These positions are subject to final budgetary approval by the university.

C.V. and references should be forwarded to:

Professor Penny K. Ericson, Dean

Faculty of Nursing, U.N.B.

P.O. Box 4400

Fredericton, N.B. E3B 5A3

Deadline for Application: March 31, 1995

IN ACCORDANCE WITH CANADIAN IMMIGRATION REQUIREMENTS, THIS ADVERTISEMENT IS DIRECTED TO CANADIAN CITIZENS AND PERMANENT RESIDENTS OF CANADA.

THE UNIVERSITY OF NEW BRUNSWICK IS COMMITTED TO THE PRINCIPLE OF EMPLOYMENT EQUITY.

# University of Windsor School of Nursing Programs

## Master of Science in Nursing

This program prepares graduates for advanced practice in one of two areas of concentration:

*Health promotion and illness prevention*

*Human response and adaptation to alterations in health*

This program is especially designed to meet the needs of employed baccalaureate nurses.

## Basic Baccalaureate Program (4 years)

This program is for students who are secondary school graduates, graduates with degrees in other disciplines, and qualified adult students who wish to pursue a career in nursing.

## Post Diploma Bachelor of Science in Nursing (2 years)

This program is designed to provide the Registered Nurse with the additional knowledge and skills required to expand his/her scope of practice.

*For further information contact*

## University of Windsor School of Nursing

401 Sunset Avenue, Windsor, Ontario N9B 3P4  
(519) 253-4232, Ext. 2258

## University of Prince Edward Island School of Nursing

invites applications to:

### Basic Baccalaureate Program (4 year)

Program focus is on health promotion and illness prevention using a Primary Health Care approach. Nursing experience is in the care of individuals, families and communities throughout the province.

#### ADMISSION REQUIREMENTS

1. Satisfactory completion of Grade 12 (OAC's in Ontario) in a university preparatory program;
2. Overall average 70% is required in Grade 12 subjects (English, Mathematics, Chemistry, second science, academic elective)
3. Grade of 65% in each of the required Grade 12 subjects.

Mature students advised to contact Registrar's Office for specific admission requirements.

## Information for Authors

*The Canadian Journal of Nursing Research* is a quarterly journal. Its primary mandate is to publish nursing research that develops basic knowledge for the discipline and examines the application of the knowledge in practice. It also accepts research related to education and history and welcomes methodological, theory and review papers that advance nursing science. Letters or commentaries about published articles are encouraged.

**Procedure:** Three double-spaced typewritten copies of the manuscript on 8½ x 11" paper are required. Articles may be written in French or English. Authors are requested not to put their name in the body of the text, which will be submitted for blind review. Only unpublished manuscripts are accepted. A written statement assigning copyright of the manuscript to *The Canadian Journal of Nursing Research* must accompany all submissions to the journal. Manuscripts are sent to: The Editor, *The Canadian Journal of Nursing Research*, McGill University, 3506 University Street, Montreal, Qc H3A 2A7.

### Manuscripts

All manuscripts must follow the fourth edition of the *Publication Manual of the American Psychological Association*. Research articles must follow the APA format for presentation of the literature review, research questions and hypotheses, method, and discussion. All articles must adhere to APA guidelines for references, tables and figures. Do not use footnotes.

**Title page:** This should include author(s) name, degrees, position, information on financial assistance, acknowledgements, requests for reprints, address, and present affiliation.

**Abstract:** Research articles must include a summary of 100-150 words containing information on the purpose, design, sample, findings, and implications. Theory and review papers must include a statement of the principal issue(s), the framework for analysis, and summary of the argument.

**Text:** The text should not exceed 15 double spaced typed pages. References, tables, and figures should follow the text.

**References:** The references are listed in alphabetical order, double spaced and placed immediately following text. Author names and journal citations must be spelled out in full.

**Tables and Figures:** Tables and figures should only appear when absolutely necessary. They must be self explanatory and summarize relevant information without duplicating the content of the text. Each table must include a short title, omit abbreviations and be typed on a separate page. Figures must be in camera-ready form.

**Review process and publication information:** *The Canadian Journal of Nursing Research* is a peer-reviewed journal. Manuscripts are submitted to two reviewers for blind review. The first author will be notified following the review process which takes 12 weeks to complete.

**Electronic copy:** Authors must provide satisfactory electronic files of the accepted final version of the manuscript.

## Renseignements à l'intention des auteurs

*La revue canadienne de recherche en sciences infirmières* paraît quatre fois par année. Son mandat est de publier la recherche en sciences infirmières qui développe les connaissances de base dans la discipline et qui analyse la mise en pratique de ces connaissances. La revue accepte aussi des articles de recherche reliés à l'enseignement, l'histoire, et accueille des articles ayant trait à la méthodologie, la théorie, et l'analyse qui promouvoit le développement des sciences infirmières. Les soumissions de lettres et de commentaires sur des articles publiés sont aussi encouragées.

**Modalités:** Veuillez envoyer trois exemplaires de votre article dactylographié à double interligne sur des feuilles de papier de 216mm x 279mm. Il est entendu que les articles soumis n'ont pas été simultanément présentés à d'autres revues. Veuillez inclure avec votre article une déclaration de propriété et de cession de droit d'auteur.

Veuillez adresser vos manuscrits à la rédactrice en chef, *La revue canadienne de recherche en sciences infirmières*, École des sciences infirmières, Université McGill, 3506 rue University, Montréal, QC H3A 2A7.

### Manuscrits

Tous les manuscrits doivent se conformer à la quatrième édition du *Publication Manual of the American Psychological Association*. Les articles de recherche doivent suivre les consignes énoncées dans le "APA" en guise de présentation de la littérature, des questions de recherche et d'hypothèses, de la méthode, et de la discussion. Tous les articles doivent obéir au manuel "APA" pour les références, les tableaux, et les schémas. N'employez pas de notes au bas de la page.

**Page titre:** Elle devrait inclure le nom, l'adresse et l'affiliation de l'auteur ou des auteurs, les diplômes obtenus, information sur l'aide financière obtenue, remerciements, demande de copies.

**Résumé:** Les articles de recherche doivent être accompagnés d'un résumé de 100 à 150 mots, incluant l'objet de la recherche, la conception, l'échantillon, les résultats et les implications. Les manuscrits de théories et de critiques doivent inclure une déclaration des arguments principaux, la structure d'analyse, et un résumé de la discussion.

**Texte:** La longueur acceptable d'un article n'excède plus que 15 pages. Les articles peuvent être rédigés soit en anglais, soit en français.

**Références:** Les références doivent paraître en ordre alphabétique, à double interligne, et doivent suivre le texte. Les noms d'auteurs et les citations de revues doivent être épeler entièrement.

**Tableaux et schémas:** Les tableaux et schémas doivent paraître seulement si nécessaire. Ils doivent résumer des informations pertinentes sans redire le contenu du texte. Chaque tableau doit inclure un court titre, opprimer les abréviations et doit être dactylographié sur une page à part. Veuillez remettre les originaux des schémas, qui doivent être dessinés à l'encre de Chine et prêts à photographier.

**Examen des manuscrits et renseignements relatifs à la publication:** Les manuscrits présentés à la revue sont évalués de façon anonyme par deux lectrices. À la réception du manuscrit original, l'auteur est avisé que le Comité de rédaction prendra une décision au sujet de la publication de son article dans les douze semaines.

**Copie électronique:** Les auteurs doivent remettre une copie acceptable de l'article sur disquette de l'acceptation finale de l'article.

# *The Canadian Journal of Nursing Research* *Revue canadienne de recherche en sciences infirmières*

*The Canadian Journal of Nursing Research* provides a forum in Canada for the publication of research and scholarly articles relevant to nursing and health. You and your agency are invited to subscribe to this journal.

You also are invited to submit articles to *The Canadian Journal of Nursing Research*. *CJNR* publishes articles on clinical research, methodological issues, education research, historical research as well as theory and position papers that advance nursing knowledge. Information for authors and the criteria for evaluating articles can be obtained from the Circulation Manager.

# *The Canadian Journal of Nursing Research*

## *Revue canadienne de recherche en sciences infirmières*

La *Revue canadienne de recherche en sciences infirmières* constitue au Canada une tribune pour la publication d'articles savants et de recherche concernant les sciences infirmières et la santé. Nous vous invitons, vous et votre organisme, à vous abonner à la revue.

Nous vous invitons également à présenter des articles à la *Revue canadienne de recherche en sciences infirmières*. La revue publie des articles traitant de recherche clinique, de questions méthodologiques, de recherche en éducation, de recherche historique ainsi que des articles théoriques et des prises de position susceptibles de faire avancer les connaissances en matière de sciences infirmières. On peut également obtenir du directeur de la diffusion des renseignements sur les auteurs ainsi que les critères d'acceptation des articles.

## McGill University School of Nursing

### Graduate Programs in Nursing

Master of Science (with Thesis)

Master of Science (Applied)

These programs are designed to prepare clinicians and researchers for the role of nursing within the health care delivery system. Preparation for the teaching of nursing or the management of nursing service is also offered.

#### **Admission requirements**

Either a Baccalaureate degree in Nursing comparable to B.Sc.(N) or B.N. from McGill; or a Baccalaureate degree comparable to B.A. or B.Sc. offered at McGill (for those with no nursing preparation).

### Ph.D. Program in Nursing

In 1993, the School of Nursing of McGill University and the Faculté de sciences infirmières of the Université de Montréal established a joint Ph.D. program in Nursing. This program combines the resources of both universities in order to respond to the diverse and complex challenges of the discipline of nursing.

The program is designed to prepare scientists who will contribute to the advancement of knowledge and theory development in the field of nursing and who will assume leadership roles both in the profession and in the health care system.

#### **Admission requirements**

Applicants must hold a Master of Science in Nursing or equivalent degree with a G.P.A. of 3.3 or high B standing. Each applicant must demonstrate research ability and be accepted by a faculty member who agrees to serve as thesis advisor. The candidate must submit a letter outlining his/her proposed research as well as his/her future career goals. Admission is based on assessment of professional experience, previous academic work, letters of reference and GRE. Applicants must hold nursing registration in Québec or be eligible to obtain registration and have sufficient working knowledge in both French and English.
