

Reviewers for Volume 47

CJNR is indebted to the persons below, who served as reviewers for Volume 47. They gave generously of their time and shared their knowledge, and in so doing have contributed greatly to the editorial process and to the development of nursing knowledge.

CJNR est reconnaissante envers les personnes ci-dessous nommées pour leur participation en tant qu'examinatrices des articles publiés dans le volume 47. Ces personnes ont généreusement donné de leur temps et ont partagé leur savoir. Ce faisant, elles ont largement contribué au processus éditorial et au développement des connaissances en sciences infirmières.
