McGILL UNIVERSITY SCHOOL OF NURSING

A NEW PROGRAM FOR REGISTERED NURSES BACHELOR OF SCIENCE IN NURSING

This program has been developed for graduates of nursing programs located in Community Colleges, Colleges of Applied Arts and Science, Colleges of General and Vocational Education or other similar post-secondary institutions.

Preparation for leadership roles in nursing practice within the developing health care delivery system is provided. This includes primary care nursing in community-based facilities and programs as well as all phases of acute care within the network of McGill teaching hospitals.

Length of program: Three years

Language of study: English.

A satisfactory record of employment as an R.N. is required. Due to variation in college-based programs applicants should inquire for detailed information on prerequisite courses and obtain application forms from:
