

**THE UNIVERSITY OF MANITOBA SCHOOL OF NURSING** invites applicants for two tenure track positions effective July 1, 1985 (or as soon as possible thereafter) to teach in the Undergraduate and Graduate Program in the areas of:

- 1) Community Health, Ph.D. required, preferably in community health nursing. Experience in graduate education and thesis supervision required. Candidate to have an active research program.
- 2) Nursing Administration, Ph.D. required, preferably in nursing administration. Experience in administration necessary. Competence in research and scholarship desirable. Responsibilities to include administration in the Undergraduate Program.

In addition, applicants are also invited for sessional appointments to teach in the Undergraduate Program in the areas of maternal-infant nursing in acute and chronic illness. A master's degree is required, preferably in Nursing with demonstrated clinical competence and experience in university level teaching.

All applicants must be eligible for registration with the Manitoba Association of Registered Nurses. Salary and rank are commensurate with qualifications and professional achievement.

All positions subject to funding.

Both men and women are encouraged to apply. In accordance with the Canadian Immigration requirements this advertisement is directed to Canadian citizens and permanent residents.

Closing date for all applications is June 1, 1985.

Applicants should forward their curriculum vitae along with the names of three referees to: Director, School of Nursing, 246 Bison Building, University of Manitoba, Winnipeg, MB R3T 2N2

The Council on Nursing and Anthropology is organizing a symposium, "Improving Health Through Qualitative Research", for the 1986 Society for Applied Anthropology Meeting, March 26-30, 1986 Reno, Nevada. Abstract forms can be found in the June 1985 *Human Organization*. Deadline date for receipt of abstracts is September 1, 1985. Send abstracts to:

Dr. Raphaella Sohler, Graduate Program  
University of Oklahoma  
6310 E. 30th Street, Tulsa, OK 74114

**Applications are invited for a Faculty Position  
in Medical-Surgical Nursing;  
Mental Health-Psychiatric Nursing;  
Community Health Nursing**

Preference is given to candidates with a Ph.D. A Master's degree in Nursing with a strong research component is required. Salary and rank commensurate with education and experience.

In accordance with Canadian immigration requirements, this advertisement is directed to Canadian citizens and permanent residents.

**INTERNATIONAL NURSING RESEARCH CONFERENCE  
EDMONTON, ALBERTA  
MAY 7 - 9, 1986**

**THEME**

"New Frontiers in Nursing Research" is aimed at 'vanguard' endeavours, including new and improved research designs and data analysis techniques. Research findings, methods of communicating nursing research, and innovative approaches to teaching research will also be stressed. Implementation of research findings is another focus, along with evaluation of outcomes of research. Other areas of emphasis will be research development within health care agencies, and ethical problems and approaches.

**CALL FOR ABSTRACTS** to be submitted not later than August 31, 1985.

**ENQUIRIES:** Dr. Phyllis Giovannetti  
Chairman  
INCR Scientific Review Panel  
The University of Alberta  
3rd. Fl., Clinical Sciences Bldg.  
Edmonton, Alberta, Canada  
T6G 2G3  
(403) 432-2996

## **MCGILL UNIVERSITY SCHOOL OF NURSING**

### **GRADUATE PROGRAM IN NURSING MASTER OF SCIENCE (APPLIED)**

This program has been designed to prepare clinicians and researchers for the expanding function of nursing in our rapidly developing health care services.

#### **Options available:**

Option A: Clinical Nursing Practice

Option B: Research in Nursing and Health Care

Graduates will be prepared to incorporate either option within careers in the teaching of nursing or the development and management of nursing service.

#### **Admission requirements**

Either a Baccalaureate degree in Nursing comparable to B.Sc.(N) or B.N. from McGill; or a Baccalaureate degree comparable to B.A. or B.Sc. offered at McGill.

#### **Length of program**

Two years for those with nursing degrees

Three years for those with non-nursing degrees

#### **Language of study: English**

#### **Further information from:**

Director, School of Nursing  
Master's Program  
3506 University Street  
Montreal, P.Q. H3A 2A7
